### **Mission Moment**

One of the pressing problems in Malawi is the lack of health-care workers. **With only 600 doctors to look after a population of 19 million, Presbyterians Sharing is doing what it can to help fill this sizable gap by supporting Moses Silungwe as he pursues a Bachelor of Medicine and Surgery at Levy Mwanawasa Medical University in Zambia**, which is a six-year program. His dream of becoming a general surgeon began when he was working as a senior clinician at the David Gordon Memorial Hospital, where he was later appointed acting head of the hospital's clinical department.
