After participating in the *New Beginnings* program, which guides congregations through a renewal process to discern God's call for their future, St. Giles Presbyterian Church in St. Catharines, ON, is exploring innovative ways to engage with their community. The congregation is turning faith into action by fostering a welcoming and supportive environment for individuals with disabilities and their families. They have created a multi-sensory space where individuals with sensory sensitivities can find comfort and engagement. They hope to offer respite programming and support groups for caregivers who demonstrate a commitment to walking alongside them in their journey. The *New Beginnings* program receives funding from *Presbyterians Sharing*.
