Mission Moment

Twenty-year-old Dipmala Kumari from Bihar, India, was forced to leave school when her family could not afford further studies and community attitudes discouraged girls' education. Her future changed when Karuna Project staff recognized her potential and helped her restart her education. With their encouragement, Dipmala enrolled in a Bachelor of Arts program, received coaching for competitive exams and completed computer training. When the Bihar Police recruitment opened, the project helped her prepare and apply. Because of the support, Dipmala is now attending police training, preparing to provide security support during local elections. Proudly supporting her family, she also plans to fund the education of two girls, giving back the support she received. The Karuna project is an initiative of the Duncan Hospital, supported by *Presbyterian World Service & Development (PWS&D)*.

Meal-in-a-Bowl - This Wednesday, 25 November (see poster, below).

What is a Labyrinth walk? Walking the Labyrinth is a practice used for over 4000 years. It is an active meditation tool used to calm the mind, lower stress, and encourage reflection. The end of Pentecost is a perfect time to consider engaging in this exercise. You are invited to a labyrinth walk this Friday, November 27th from 7-9 p.m. at McKenzie United Church Hall, 85-11th Street NW.
Any questions just reach out to Leith at (204) 857-6027.
